

As of July 1, 2010, EndoPerio Doctors and Hygienists participate in the dental insurance plans listed below. Please note:

- We will gladly answer your questions about coverage and payment options.
- Dental insurance is not a guarantee of coverage. Dental insurance is unlike medical insurance and there are many limitations on what your insurance plan will cover.
- Our participation changes from time to time.
- Please call (make this a link to 708-799-2550) or email (make this a link to info@endoperio.com) us with your questions.

It will be our pleasure to serve you.
